

# Phoenix Scales Hire

The UK's No.1

FS 59305

## Are you looking for accurate, cost effective and efficient stocktaking?

Phoenix Scales is dedicated to providing exactly that and has one of the largest hire stocks of weighing and counting equipment in the country.

If you already hire scales from another supplier and would like a competitive quote, please complete the reverse of this form and we will contact you with our best price.

## Alternatively call us on:

**0845 601 7464**

If you are unsure what equipment you require, we will happily carry out a free site survey and recommend the most suitable equipment for your particular stocktake needs.

## Why is Phoenix Scales the preferred supplier of many companies?

Phoenix Scales offer the complete hire service:

- Scales delivered and collected from you premises
- All scales tested and calibrated before you receive them
- Simple instructions are provided for all equipment and operator training can be provided
- Contact number available at all times

Phoenix Scales also offer SALES, SERVICE and CALIBRATION of all makes of weighing equipment, whatever your weighing requirement, please call or fax us back for a competitive quotation.
